

What if potential foster carers could experience his reality?

A Global First: Foster Carer & Adopter Recruitment and Training in Virtual Reality

*You are invited to join us on **Tuesday 24 October 2017** for this exclusive London Ventures hosted event.*

Hosted at City Hall in London's Living Room, join leading figures from the world of children's social care, film, and technology for this unique event around how virtual reality can be used to tackle the increasing pressure on care services across London. You will be able to experience the first ever 360 virtual reality film aimed at tackling the shortage of skilled foster carers.

The event will give you an opportunity to:

- **experience virtual reality first-hand and see how it can transform the recruitment of foster carers in your local authority**
- **understand the impact that this unique approach can have on wider policy intervention and service delivery**
- **discuss the innovative thinking being led The Cornerstone Partnership, to tackle key issues for children's social care**

The Cornerstone Partnership has developed a unique model for the recruitment, training and support of foster carers that harnesses the power of peer learning and uses cutting edge technology to optimise impact.
