

Cornerstone VR Library and Suggested Applications

	Introduction to VR/Debrief	Recruitment and Preparation	The Unborn Child's View	Trauma, Abuse and Neglect at Home	Children With Early Life Trauma at School	Children With Early Life Trauma at Home
Experience #	1	2-3*	5	6	7-10	11-13
Visual Reference						
Overview	Safari experience, useful as introductory video or to debrief after watching impactful experiences.	A 6-minute experience to be used in recruitment for foster carers and adopters (no directly traumatic scenes).	A 2-minute "in situ" experience showing in utero exposure to drugs, alcohol and domestic violence.	A 4-minute direct view of trauma, neglect and shame from an infant's perspective placing you "in situ", as the child.	An observation of children's triggers at school and how different responses from teachers impact the child.	An observation of children's triggers and how different responses from parents impact the child.
Scenes	1. Surrounded by Wild Elephants (00:02:36)	2. Adopter Recruitment and Preparation (00:06:44) 3. Foster Carer Recruitment and Preparation (00:06:44) *(choose video depending on audience, i.e. are you directing at foster carers or adopters?)	5. Drugs, Alcohol and Domestic Violence – The Unborn Child's View (00:02:14)	6. A Look at Trauma, Abuse and Neglect in the Early Years (00:04:21)	7. School Triggers - Children with Early Life Trauma and School (00:00:47) 8. BMA Style A - Children with Early Life Trauma and School (00:00:58) 9. BMA Style B - Children with Early Life Trauma and School (00:01:17) 10. PACE Approach - Children with Early Life Trauma and School (00:01:41)	11. Children With Early Life Trauma at Home (00:01:03) 12. Children With Early Life Trauma at Home (00:01:45) 13. Children With Early Life Trauma at Home (00:02:45)
Useful Applications	Introduction to VR	Recruitment; Assessment	Assessment; Preparation	Preparation; Social Worker Training; Assessment	Schools/Other Professionals' training	Placement Stability

Application specifics

Recruitment	Assessment	Preparation	Social Worker Training	Placement Stability	Schools Training/Other Professionals
Adopter and foster carer recruitment 1:1 at events (i.e. stands)	VVV, foster carer and adopter assessments Stage 1 and Stage 2 (1:1)	Adopter prep group	Trauma training	1:1 use with families at risk of placement breakdown Use to generate empathy and insight, creating a 'pause' to allow support to be provided thereby stabilising the placement	Use in groups for twilight trauma training sessions (in combination with slide deck provided to create a 1.5hr session)
Group events e.g. information evenings	Group training/assessment events	Skills to foster	Life story work with families		Use with judiciary for short trauma training sessions
Social worker recruitment fairs	Post adoption assessments (1:1)	Life story work	In situ assessments/recording skills		Adoption and fostering panels
